**The Company and the Union agree as follows:**

## **GENERAL**

### **PREAMBLE**

The purpose of this Agreement is to establish and maintain a harmonious and mutually beneficial working relationship between the parties. In administering this Agreement, we will work together and exhibit mutual trust, understanding, sincerity, and co-operation. Should differences or misunderstandings occur, we will resolve them promptly through full and open discussions within the terms of our dispute resolution process.

We support and encourage policies and practices that reflect our commitment to: a safe, efficient and competitive world class nuclear science and technology business for the maximum benefit of Canada; technical excellence, employee job satisfaction and career development; fair and competitive terms and conditions of employment; employment equity; continuous improvement in quality and efficiency; and a safe and healthy working environment which is free from harassment and discrimination and which recognizes the full worth and integrity of all employees.

## **ARTICLE 1 - RECOGNITION**

1.01 The Employer recognizes the Union as the exclusive bargaining agent for the bargaining unit comprised of all technicians and technologists employed by Canadian Nuclear Laboratories at the Whiteshell Laboratories or Underground Research Laboratory, excluding casual employees, those in the Other non-union classification and those covered by a certification order issued by the Canadian Industrial Relations Board or its predecessors, as described in the certificate issued by the Canada Industrial Relations Board Order Number 10063-U dated June 24, 2011.

1.02 The parties recognize that amendments to the terms and conditions of employment shall be by mutual consent.

1.03 The Company and the Union agree that "students", "casual employees", "contract personnel" and "attached staff", as defined in Article 7 (Non-Continuing Technical Personnel) shall not be included in the bargaining unit.

1.04 The Union shall be notified of the creation of any new positions to be included within the bargaining unit along with a position description and organizational chart. Any dispute as to the position's inclusion or salary shall be resolved through the Dispute Resolution Procedure and Arbitration provisions of this Collective Agreement.

1.05 The parties recognize this Collective Agreement as outlining the terms and conditions of employment. Any additional monetary compensation shall only be provided through written consent of the Union.

## **ARTICLE 2 - RESERVATION OF MANAGEMENT RIGHTS**

## **ARTICLE 3 - LEGISLATION AND EMPLOYEE RIGHTS**

### **3.01 Conflict with Legislation**

Should any provision of this Agreement be found to be in conflict with an applicable statute, then the parties shall meet and determine a satisfactory settlement of the provision in conformity with the statute. The remaining provisions of the Agreement shall continue to be operative and binding on both parties. Nothing in this Agreement shall be construed as an abridgement or restriction of any employee's constitutional rights or of any right expressly conferred by an Act of the Parliament of Canada.

### **3.02 Discrimination and Harassment and Violence**

There shall be no discrimination, interference, restriction, coercion, harassment, or intimidation exercised or practiced with respect to an employee by reason of age, race, creed, colour, national origin, religious affiliation, sex, sexual orientation, disability, conviction for which a pardon has been granted, marital status, family status, or membership or lawful activity in the Union.

3.03 The Union and the Company recognize the right of employees to work in an environment free from harassment and violence and agree that harassment will not be tolerated in the workplace.

### **3.04 Picket Lines**

The Company will not expect an employee to cross a picket line, including a picket line at a customer site, if to do so would place the employee's life, limb or personal property in jeopardy.

### **3.05 Right to Representation**

- (a) Upon request an employee shall have the right to the presence of a Union representative at any meeting involving Return to Work or performance. The employee shall be responsible for arranging the presence of a Union representative.
- (b) For matters which may result in discipline, the employee shall be advised in advance of the nature of the issue. The Company shall advise the President of WTEG with sufficient advance notice of the meeting to ensure the presence of an appropriate Union representative. The Company commits to providing the Union President, or designate, a minimum of 2 days' advance notice of meetings involving union members which may lead to, or to administer corrective performance management. To the extent possible, advance notice will include the topic for discussion.
- (c) Nothing in (b) above precludes a supervisor's right to have a preliminary discussion with an employee.

## **ARTICLE 4 - COMPANY RULES**

4.01 The Company will make available to the President of WTEG a copy of all General Notices and all Company Procedures and amendments thereto, affecting bargaining unit members.

4.02 New and revised Company Procedures that affect working conditions will be provided to the Union ten (10) working days in advance of publication for discussion and, when issued, will be available by the Company through intranet.

4.03 The relevant provisions in Company Standard Policies and Procedures (SPP) referred to in this Agreement by number and date which are not in conflict with the provisions of this Agreement, shall remain in effect for the life of this Agreement unless otherwise mutually agreed. 5.02 The definition of strike shall be that as laid down in Part I of the Canada Labour Code.

## **ARTICLE 6 – PROTECTION OF THE SITE**

If at any time during, or after the termination of this Agreement, the employees represented by the Union should engage in a stoppage of work, the Union and the Company will meet in advance to negotiate an agreement respecting the maintenance of essential services, such as protection of Company property and the preservation of public safety.

## **ARTICLE 7 - NON-CONTINUING TECHNICAL PERSONNEL**

7.01 Both parties recognize that situations may arise which result in peaking personnel demand, or requirements for special skills and expertise not otherwise available. No continuing full-time employee will be laid off where a Term, Short-term, Student, Casual employee, Contracted-In individual or Attached Staff, with equivalent or similar skills, remains employed by the Company. Continuing employees will be provided a reasonable period of time to acquire necessary skills.

Subject to the provisions of this Article, the Company may continue to utilize from time-to-time Non-Continuing Technical Personnel as defined in 7.02 and 7.03 below. Non-Continuing Technical Personnel shall not be placed in a WTEG position without the position being posted. The posting and the initiation of the contracting process may happen simultaneously. The position will remain open

and the Company will follow the internal competition process. When the position has been filled and a reasonable handover period has occurred, the Non-Continuing Technical Personnel will be released from the position.

7.02 The following categories of people are not members of the bargaining unit:

- (a) A "student" is an employee who is hired on a part-time or short-term basis, either during the student's normal vacation period or a work term to fulfill the student's normal educational curriculum. A student who has completed or suspended the student's course of training is excluded from this definition.
- (b) "Casual employees" are those employees hired on a casual roster for a period of twelve (12) months to work no more than an average of 12 hours per week, and are only paid for actual days worked.
- (c) "Contract personnel" are those persons hired from other organizations to provide temporary technical services to perform specific work for which the skills are not available, or could not reasonably be made available, within the bargaining unit.
  - i. Contracted-In individuals are hired for a period of up to twelve (12) months' duration who work under CNL management supervision, receiving day to day direction in what work and/or how to do the work and when it needs to be done, either at Whiteshell Laboratories or remote from the site. Master Service Agreement Persons and organizations are included as contract personnel.
  - ii. Contracted-Out individuals are employed by and directed in their work by a 3<sup>rd</sup> party company where CNL provides a scope of work that would normally be done by WTEG members in the form of a contract to receive a service or product, either at Whiteshell Laboratories or remote from the site.
- (d) "Attached staff" are employees of other CNL sites or other organizations who are on temporary assignment at Whiteshell Laboratories. This includes persons from parent organizations of CNEA, their subsidiary organizations or successors i.e. Reach back personnel.

7.03

- (a) The number of Non-Continuing Technical Personnel and duration of assignment for the categories specified in (b) and (c)(i) (ii) and (d) above shall not be exceeded without the written agreement of WTEG. The Union shall not unreasonably withhold agreement.
- (b) The Company will provide WTEG notice of contracting out work under article 7.02 (c)(ii) upon signing of the contract. Notice will include scope of work.

(c) Disputes may be brought to JCC or "if grieved" filed at Step 2 in the dispute resolution procedure in accordance with Article 22

7.04 The following categories of persons are members of the bargaining unit:

- (a) "Short-term employees" are employees hired to carry out term assignments of more than one (1) month but no more than six (6) months duration which require them to work regular full-time hours or regular part-time (working a regular schedule of 40% to 90% of full-time hours) as stipulated in this Agreement, and who cease to be employed when the job for which they were hired has been completed. An employee in this category is a member of the bargaining unit and is covered by the provisions of this Agreement with the exception of pension coverage, long term disability coverage and dental coverage in accordance with RCW-2.05, "Part-Time, Short-Term and Student Employees (Salaried) - Benefit Programs", dated 1987 April. An employee in this category whose term is extended beyond six (6) months becomes a "Term employee" as defined in (b) below.
- (b) "Term employees" are employees hired for between six (6) and twelve (12) months to carry out special term assignments. The term of such employment shall be related to the scheduled length of the work requirement. Term employees are required to work regular full-time or regular part-time hours as stipulated by this Agreement, but who cease to be employed when the job for which they were hired has been completed. Any extension of the term shall not cause the term to exceed eighteen (18) months in aggregate. Any further extension must be approved by the Union. Approval shall not be unreasonably denied where job security of any continuing technical personnel with appropriate skills is not adversely affected.
- (c) A sequence of Non-Continuing appointments will not be used to displace a full-time continuing position. No continuing full-time employee will be laid off where a non-continuing employee, with equivalent or similar skills, remains employed by the Company.
- (d) Full time employees may fulfill a temporary term assignment and then return to their previous position, when such a secondment can be operationally accommodated.

7.05 Where casual, short-term, contract, term and attached technical personnel are utilized for specialized skills not available in the bargaining unit, the Company will facilitate the acquisition of these skills within the bargaining unit where the Company determines there is a sufficient continuing need for the skill involved.

7.06 Non-continuing technical personnel utilized in accordance with this Article will cease to be employed when the specific duty or work term for which they were hired has been completed. Such individuals will be advised of the short-term nature of their employment.

- 7.07 It is the intention of the parties that Non-Continuing Technical Personnel shall not be used in place of a continuing position. To this end, the Company will notify, provide an explanation for, and participate in discussion with the President of the Whiteshell Technical Employees Group as follows:
- (a) in advance of its intention to utilize casual, short-term, term and contract personnel;
  - (b) where attached staff from other CNL sites are to be assigned to Whiteshell Laboratories for periods of six (6) months or more.
  - (c) The Company will inform the Institute of the names of persons so employed each quarter.
  - (d) The Whiteshell Technical Employees Group (WTEG) recognizes the employer's need to engage contracted services from time-to-time, as outlined in Article 7 of the WTEG Collective Agreement. When engaging in discussion concerning the use of contracted staff, WTEG will be provided the following information from the employer for each proposed contract:
    - 1. Explanation of the decision to use a contractor (in place of other options).
    - 2. A general description of the work to be performed.
    - 3. Intended start and end date of the contract, including the estimated number of labour-hours.
    - 4. Identification of the responsible supervisor and manager.
    - 5. Whether there is a continuing need for the skills/expertise provided by the contractor. If yes, a plan should be provided as to how the knowledge and skills will be transferred to a WTEG member for future assignment of the work.
    - 6. The scope of knowledge transfer
    - 7. The contractor's engagement history with CNL.

In cases of an extension to previous contract(s), the following additional information will be sought:

- 8. Hours previously worked.
- 9. Progress on knowledge and skills transferred as per the plan identified in #5.

The Company and the Institute will meet not less than quarterly to discuss the use of non-continuing technical personnel, including but not limited to, the scope of work, ongoing need/plan, and transfer of knowledge.

The parties recognize that the operation of certain branches or facilities may on occasion require a change in normal hours of work for a defined temporary period. In advance of any such requirement, management will consult with affected employees in the development of such a work schedule

An employee that is reassigned to a different shift will be provided with a minimum of four (4) weeks' notice prior to the commencement of that shift unless the Parties agree otherwise.

Assignment to various shifts will be on a voluntary basis. Should it be necessary to assign staff to shifts as a result of insufficient volunteers, assignment will be based on a fair rotation of qualified individuals for each required position. Assignment to all shifts will be subject to knowledge, skills and abilities. ### **ARTICLE 9 - FLEXIBLE WORKING ARRANGEMENTS**

#### **9.01 Principles**

The Company and the Institute recognize that the interests of the Company and of employees may be served by promoting flexibility in work hours to accommodate changes in work requirements, peak work demands and varying personal needs.

It is understood that the nature of the work may prohibit the participation of some employees in alternative work schedules to ensure that safety or the overall efficiency of the site is not adversely affected.

#### **9.02 Flexible Hours**

Employees may request to reschedule the standard day as defined in Article 8.02 by up to two (2) hours subject to approval by supervision, and will not be unreasonably denied.

#### **9.03 Banked Hours**

Pursuant to the Hours of Work Memorandum of Agreement on Page 63 in addition to the normal work schedule, an employee may elect to bank hours on a straight time basis to a maximum of eighty (80) hours as banked time. The accumulation of such banked hours must be on productive work with the prior approval of management, worked in minimum thirty (30) minute periods. Opportunities to accumulate banked time will not be unreasonably restricted.

9.04 While the scheduling of time off with pay covered by accumulated banked time is subject to Company approval, management shall make every effort to grant an employee's request for time off and may only deny such a request where it conflicts with operational requirements.

#### **9.05 Carry Over of Banked Hours**

An employee may carry over a maximum of eighty (80) hours of banked time from one fiscal year to the next. It is the responsibility of the employee to consult with their manager to schedule opportunities to utilize the banked time. It is the responsibility of the manager to work with the employee's schedule to allow the banked time to be used. If the manager is unwilling, or operationally unable, to allow the employee to utilize the time, any banked time in excess of eighty (80) hours remaining on March. 31<sup>st</sup> will be paid out at the straight time rate.

- (b) Fully Remote Worker means a worker that spends all, or substantially all, (i.e. less than 20% a year on site) of their time working from a remote workplace. Fully Remote Workers do not have any onsite office.
- (c) Hybrid Worker means a worker which has a significant degree of functions that can be performed remotely, but may require regular attendance at the Designated Workplace.

Any worker may request a remote work arrangement. All remote work requests will be granted unless a requirement that is necessary for the performance of a job (i.e., bona fide occupational requirement) prevents the remote work. Notwithstanding the foregoing, a remote work arrangement will not negatively impact the rights of or disadvantage other members of the bargaining group.

A request to become a Fully Remote or a Hybrid Worker will be made in writing to an employee’s manager. A response in writing will be received no later than one week after the request.

A Fully Remote or a Hybrid Remote Worker arrangement may be canceled by the employee with not less than fourteen (14) calendar days' written notice. - (b) If the employee is required by management to occasionally attend site they will be compensated for their travel as per the Company Travel Policy.

An employee shall not be required to provide access to the remote workplace to any agent of the company. However, an employee may be required to provide photographic or video evidence of the remote workplace to the Company to verify compliance with the Canada Labour Code.

An employee cannot be compelled to hold meetings at their remote workplace where others are to be physically present.

### **Call Back and Notice Periods**

Should a Fully Remote or a Hybrid Worker have responsibilities to attend the designated workplace on a day that the employee was scheduled to work at a remote workplace, the company shall provide reasonable notice.

## **ARTICLE 11 - OVERTIME**

### **11.01 General**

In recognition of employee well-being and inconvenience, an effort shall be made to equitably distribute overtime amongst all qualified employees. Overtime, as used herein, means that part of the actual working time which is outside the normal scheduled hours and is, therefore, subject to compensation at the applicable overtime rate. Where management determines that operational needs require an employee to work outside the normal scheduled work hours employees will receive Overtime pay as per Article 11.01(b) and (c). This includes operational requirements that do not allow flexibility in the scheduling of these required hours or an operationally urgent

need arises and management approval is impractical to obtain. No employee will be required to work overtime when other qualified employees are willing and available for work. For further clarity, please see Appendix "D" for details on the employee's right to refuse overtime work.

- (a) Where qualified employees are unwilling and/or unavailable to undertake the work, the Company will consult the President of WTEG before using alternate sourcing strategies to complete the work.
- (b) All authorized overtime work, other than that described elsewhere in this Article, shall be compensated for at the standard overtime rate of time and one-half, which is defined to be a payment of one and one-half times the normal hourly rate of pay for each hour of overtime work performed.
- (c) Authorized overtime work in excess of ten (10) hours beyond the employee's basic scheduled workweek shall be paid at the rate of double time. Overtime worked on second day of rest will not be included for the purpose of accumulation of overtime in excess of 10 hours beyond the employees basic scheduled work week.
- (d) For the purposes of this Article, the expression "normal hourly rate of pay" is defined to be 1/2080 of the employee's current annual salary

- (f) An employee will be required to provide and pay for the employee's own transportation when on overtime assignments, except when the overtime worked is immediately after the regular working hours of the employee and the employee was not advised of the overtime prior to the start of the work period and as a result a third party is required to provide a ride home following the overtime shift. The intent is to ensure an employee does not incur any expense to return home. Transportation requirements will be discussed with the manager prior to the overtime.
- (g) Management will not compel employees to use a time banking arrangement as a substitute for scheduled overtime. However, subject to clause 9.03, an employee who is entitled to monetary compensation under this Article for hours worked will have the option of crediting any or all of such hours to banked time at the applicable overtime rate for actual hours worked. Any hours over the eighty (80) hour limit shall be taken as pay at the applicable overtime rate.

Provided, however, that if an employee is entitled under the terms of Article 11.01(c) to be paid double time for some or all of the work performed prior to the employee's regular work period then the employee shall be so paid for such work but the balance of the four (4) hour period will be paid at time and one-half.

If the overtime work extends over a meal period, the provisions of Article 11.02 will apply.

### **ARTICLE 18 - WORKFORCE ADJUSTMENT PROCESS**

#### **18.01 Advance Notice and Alternatives to Layoff**

The Company and the Union recognize that program decisions and business or economic factors may require adjustments in the number of technical positions. In such situations, the Company will advise the President of the Whiteshell Technical Employees Group concerning an anticipated workforce adjustment as far in advance as possible of written notification of lay-offs, but in no event less than two (2) weeks in advance. The Company and the Union agree to work

together to identify options for minimizing the impact of the workforce adjustment on affected employees, including opportunities for redeployment, retraining, work-sharing and voluntary substitution.

Employees seconded to a project outside of their home Division (or equivalent) will be considered as part of the Division (or equivalent) for any lay-off decisions. They have the right to return to their home Division (or equivalent) when the project is completed or if project funding is discontinued.

#### **18.02 Lay-Off**

- (a) Subject to sub-clause 18.02(b), demonstrated knowledge, skill and ability related to the remaining work of a Division (or equivalent) will be the deciding factors in the determination of those employees to be given a written notice of lay-off in a workforce adjustment situation.
- (b) Among the employees affected by an anticipated workforce adjustment, a continuing employee will be retained in preference to a non-continuing employee or contract personnel provided the continuing employee is capable of performing the necessary work within a reasonable period of time.
- (c) Unless otherwise provided for in the Canada Labour Code, an employee designated for lay-off will be provided as much advance notice as possible, but in no case less than sixteen (16) weeks of written notice prior to the effective termination date. A copy of the employee's written notice shall be simultaneously provided to the President of the Whiteshell Technical Employees Group.
- (d) In exceptional circumstances, an employee may receive equivalent pay in lieu of written notice of lay-off under this Article. Such pay shall be supplemented by fifteen percent (15%) in lieu of benefits.

#### **18.03 Voluntary Substitution**

An employee in a funded position may apply for voluntary substitution with an employee who is in receipt of a lay-off notice. The Manager in whose branch the funded position resides will be responsible to determine whether to allow the substitution based on demonstrated knowledge, skill and ability to do the remaining work, and other bona fide business considerations.

#### **18.04 Redeployment**

- (a) Bargaining unit employees who are in receipt of a lay-off notice or who selected option (ii) in clause 18.04(e) on lay-off will be given first consideration for redeployment to bargaining unit work prior to posting of internal competitions or prior to an external commitment to hire for those positions previously posted. In the case of an employee who has been laid-off, this provision will remain in effect for a time period equal to the period of continuous service but not to exceed twenty-four (24) months following the effective date of lay-off.
- (b) Redeployment pursuant to clause 18.01 or 18.04 shall be contingent on the knowledge, skill and ability of the employee to meet the essential

requirements for, and substantially perform identified work within a period of six (6) months or longer as may be mutually agreed. Among candidates who meet the requirements for redeployment to a position, the most meritorious will be selected.

- (c) The offer of redeployment may be at a classification lower than that of the affected employee. Employees redeployed to another position pursuant to this Article shall receive the rate of pay of their former position. When an employee's classification prior to redeployment is ETS-1 or ETS-2, and when his/her salary exceeds the ETO-4 the employee's salary may, at the Manager's discretion, be held constant (no merit or scale increase) until the ETO-4 exceeds the employee's salary.
- (d) An employee who has been redeployed will receive an interim performance assessment on completion of three (3) months in the new position. An employee who has met the essential requirements for, and substantially performs identified work within the period established under clause 18.04 (b) shall be confirmed as a continuing employee in the position at the end of this period. Where an employee who has been redeployed is unable to meet the essential requirements for, and substantially perform identified work within the period established under clause 17.04(b), the employee will receive written notice equal to the greater of:
  - (i) the number of unused weeks of lay-off notice period provided under clause 17.02(c); or
  - (ii) two (2) weeks.

On receiving notice of lay-off, the provisions of clause 18.04 apply. The employee will be entitled on lay-off to termination compensation as per clauses 18.04 (e) and 30.03 (Lay-off).

- (e) Where an employee cannot be redeployed as per the provisions of this Article, the employee shall be laid off on the effective date referenced in the notice letter and compensated as per clause 30.03 (Layoff) in one of the following ways:
  - (i) A lump sum payment for those employees not seeking re-employment with the Company during the twelve (12) month period following termination, or
  - (ii) An equivalent amount paid in equal installments over the number of weeks of severance entitlement for those employees wishing to retain an option for re-employment with the Company as defined in 17.04 above. All remaining severance payments are waived upon re-employment with the Company and shall be deemed not to have been received for purposes of Article 31 (Termination Compensation).

- (d) The Institute agrees to indemnify and save the Company harmless against any liability arising out of the application of this clause, except for any claim or liability arising out of an error committed by the Company.

### **Information**

21.02 The Company agrees to supply each new employee with a copy of the Agreement and any amendments thereto.

21.03 Each new employee will be informed of the name of the Institute representative in the area in which the employee will be working or, where there is no appropriate representative, the name of the President of the Whiteshell Technical Employees Group. The Company will notify the Whiteshell Technical Group of the name and location of the new employee.

### **21.04 Bulletin Boards**

The Company agrees to provide access to an electronic bulletin board space for the use of the Institute. It is understood that postings, which may be of a controversial nature, will be discussed with an Employee Relations representative before posting.

### **21.05 Institute Representatives**

- (a) The Company acknowledges that Institute officers or employees appointed as representatives by the Institute will be required from time to

time to leave their Company duties in order to perform, on behalf of the Institute, functions provided for in this Agreement. It is expected that Institute members will inform supervision of such absences from the workplace and will endeavor to ensure that these absences do not result in operational difficulties.

- (b) In accordance with the above understanding the Company will compensate Institute officers and representatives for the time spent in performing functions outlined in sub-clause 21.05 (a) for duties performed on Company premises, to a reasonable amount of time in any week at their regular rate of pay, but this will not apply to time spent on such matters outside of their regular work hours. In the case of direct negotiations to reach a collective Agreement, the number of Institute members on leave with pay will be limited to three (3) representatives. Additional representatives may be granted leave without pay, subject to management approval.
- (c) On occasion, the Institute may request that an employee take time off as Union Business with Pay "Offsite" (rebillable). Union Business With Pay "Offsite" may include, but is not limited to:

  - Complaints made to the Canada Industrial Relations Board
  - Arbitration board hearings, conciliation board hearings and alternate dispute resolution process
  - Representatives' training courses

In cases where 20.05 (c) applies, the Institute requests that the Company pay the employee and bill the Institute for the full amount of the payment (including benefits, etc.).

- All Union leave of absences with pay offsite must be signed by the WTEG President on a form designed and agreed to by both the Union and the Company.
- The Company will invoice the Institute on a monthly basis for all "Union leave of absences with pay offsite".

- All monthly invoices from the Company will be sent to the Institute no later than four (4) weeks after the end of each calendar month.
- The invoices will indicate the name, date, and duration of each leave of absence, as well as a detailed breakdown of the costs.
- It is understood and agreed that a union representative/member (or an employee called by the union to act as a witness, etc.) who is on Union Business With Pay "Offsite" shall continue to be eligible and permitted to use group insurance benefits, as well as continue to accrue pension credits, pension benefits and seniority during such leave.

#### **21.06 Leave of Absence**

- (a) Where operational requirements permit, leave of absence without pay shall be granted to an employee for the purpose of attending Institute meetings distant from the Whiteshell Laboratories, or to represent the Institute in conciliation, arbitration cases or other proceedings pursuant to the Canada Labour Code
- (b) An employee who is elected President of the Institute shall be granted leave of absence without pay for the term of such office.

#### **21.07 Access to Premises**

An accredited representative of the Institute shall be permitted access to the Company's premises on business related to the administration of this Agreement and to attend meetings called by management. Permission to enter the premises shall, in each case, be obtained from an Employee Relations representative. Access shall be confined to the specific purpose and area for which permission is granted.

#### **21.08 Institute Meetings**

The Institute may on occasion hold meetings on Company premises provided such meetings are planned and conducted to avoid interference with other employees, or the work of the Company. With the exception of lunchtime meetings involving Institute operating committees, meetings must be agreed to in advance by an Employee Relations representative.

### **ARTICLE 22 - DISPUTE RESOLUTION PROCEDURE**

#### **22.01 Objective**

Consistent with the Preamble to this Agreement, the Company and the Union share a desire to resolve disputes or disagreements wherever possible through a co-operative process characterized by prompt and open discussion and creative problem-solving. To this end, the following dispute resolution procedures shall apply.

## **22.02 Complaint Stage**

- (a) Where a dispute or disagreement arises between an employee(s) and management, the individual involved shall meet as soon as possible (normally within ten (10) days of the occurrence which gives rise to the dispute or disagreement) to explore the possibility of resolving the matter without recourse to subsequent steps in the dispute resolution procedure. Representatives of the Company and Union shall only attend the meeting where special circumstances exist. Where the meeting does not resolve the dispute or misunderstanding, or where ten (10) days have elapsed since the matter was first brought to the Manager's attention for the purpose of seeking resolution, the matter may be dealt with directly under Clause 22.03.
- (b) Where special circumstances suggest that an employee-management meeting may not contribute to the resolution of a dispute or disagreement, or in a case of discipline, the Company and the Union may agree to refer the matter to Step 1.

## **22.03 Step 1**

An employee may file a written grievance with his/her Manager within twenty (20) days after the grievor knew or ought to have known of the occurrence that is the basis of the grievance.

A Step 1 grievance meeting shall be held within ten (10) days of receipt of the grievance and a written decision issued within five (5) days of the meeting.

## **22.04 Step 2**

The employee, or the Union on the employee's behalf, may refer the grievance to Step 2 within five (5) days of the Step 1 response. If a response is not received by fifteen (15) days following referral to Step 1, the grievance may be referred to the Employee Relations Specialist or designate for Step 2.

A Step 2 meeting shall be held within fifteen (15) days of the referral and a written decision issued by the Company within five (5) days of the meeting. If no action pursuant to Article 22 (Arbitration) is initiated by the Institute, the grievance shall be considered as settled.

## **22.05 Administration**

- (a) The word "days" as used in this Article and for purposes of Article 23 (Arbitration) excludes Saturdays, Sundays and Company holidays.
- (b) Grievance forms shall be provided by the Company. A grievance shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Company. After final disposition of a grievance is effected, the Company and the Union shall retain a copy.
- (c) Any time limits specified in this Article may be extended by mutual agreement between the Union and the Company.

## **22.06 Definition of Employee Grievance**

For the purpose of this Article, an employee grievance is defined as a dispute or disagreement between the Company and one (1) or more of its employees which:

- (a) arises under and by virtue of the application or interpretation of the provisions of this Agreement;
- (b) arises from alleged abuse of discretion by Company management in their treatment of employees with respect to matters provided in this Agreement;
- or
- (c) relates to the discipline, demotion or discharge (other than on probation) of an employee where such employee believes that the discipline, demotion or discharge was not for just or sufficient cause.

## **22.07 Company or Union Dispute**

### **(a) Company Dispute**

The Company may meet with the Union to discuss any dispute with respect to the conduct of the Union. If such a dispute is not settled to the mutual satisfaction of the parties, it may be treated as a grievance and, if unresolved, referred to arbitration.

### **(b) Union Dispute**

Any dispute between the Union and the Company may be the subject of a grievance in accordance with the provisions of Articles 21 and 22. In addition to acting on its own behalf, the Union may initiate this process because of the inability or refusal of an employee to submit a grievance or because the matter affects a group of employees.

- (c) Company and Union disputes shall be filed at Step 2. All time limits contained within this Article apply including a requirement to file the grievance within twenty (20) days after the party knew or ought to have known of the occurrence, which is the basis of the grievance.

22.08 Discharge or layoff grievances shall be referred directly to Step 2 of the Dispute Resolution process. No case of discharge or lay off shall be entitled to consideration at a grievance hearing unless filed as a grievance within twenty (20) days after the employee has been notified in writing of the discharge or lay off and the Chairperson of the Whiteshell Technical Employees Group so advised.

## **22.09 Mediation**

The parties acknowledge the benefit of resolving disputes through mediation and therefore agree to meet, upon request from either party, to discuss the submission of grievances to organization(s) specializing in grievance mediation, as a potential means to avoid arbitration.

## **ARTICLE 23 - ARBITRATION**

23.01 Within twenty (20) days after the final response to a grievance has been given as provided for in Clause 22.04 (Dispute Resolution Procedure), or forty (40) days following referral to Step 2, and one of the parties is not satisfied with the response, the matter may be submitted to arbitration. In a case against the Company, the notice of arbitration shall be given to Employee Relations, and in a case against the Union, to the Chairperson of the Whiteshell Technical Employees Group.

23.02 The matter to be arbitrated shall be confined to the issue raised in the original grievance.

23.03 Within ten (10) days after notice of arbitration has been served in accordance with Clause 23.01, an arbitrator shall be selected by mutual consent. The following provisions shall govern the selection of the arbitrator unless the parties mutually agree otherwise:

- (a) Any arbitrator not able to hear the grievance within ninety (90) days of the grievance's referral to arbitration will be bypassed.

23.04 The costs of the services of the arbitrator and other incidental costs related directly to the arbitration proceeding shall be borne equally by both parties.

23.05 The decision of the arbitrator shall be final and binding on all parties concerned.

23.06 The arbitrator shall have no power to add to, or to subtract from, or to modify the terms of this Agreement or any Agreement made supplementary hereto, and shall render a decision not inconsistent with the terms of this Agreement.

## **ARTICLE 24 - EMPLOYEE FILES**

24.01 Upon request of an employee, the personnel file of the employee shall be made available for review in the presence of a Human Resources representative.

24.02 When a report pertaining to an employee's performance or conduct is placed on a personnel file, the employee concerned shall be given an opportunity to sign the report in question to indicate that its contents have been read, and shall be given a copy.

24.03 Disciplinary notations will be removed from an employee's file after a period of two (2) years provided that no occurrence of a similar nature has taken place over this time. Disciplinary notations removed from an employee's file will be returned to the employee for disposal and will not form the basis for any subsequent disciplinary action.

24.04 Letters of expectations will be removed from an employee's file after a period not exceeding one (1) year. This provision will be applied retroactively.

## **ARTICLE 25 - PERSONNEL RELIABILITY AND SECURITY**

25.01 Maintenance of Site Access Clearance or the appropriate security clearance for the position held, as described by the Personnel Security Procedure (CW-510600-PRO-237 Rev. 1, dated 2011 May 13) and the Security Policy of the Government of Canada is a condition of employment.

25.02 A Site Access Clearance or Security Clearance may be revoked or revised based on new information. Where this action results in the Company revoking an employee's Site Access Clearance or detrimentally changing a security designation, the employee and the President of the Whiteshell Technical Employees Group shall be notified in writing of such action. The notice shall disclose the reasons for the Company's action to the fullest extent permissible by law and shall inform the employee of the applicable rights of review and redress.

25.03 Wherever possible, consideration must be given to the reassignment of an affected employee to a position consistent with the employee's new reliability or security designation. Only where such reassignment cannot be achieved may the Company discharge the employee. Termination of employment may be considered only when all other options have been exhausted.

## **ARTICLE 26 - EMPLOYEE LIABILITY AND LEGAL REPRESENTATION**

26.01 The provisions of Company policy 900-513700-STD-006 Rev 0, Employee Liability, shall apply and shall be deemed to form part of this Agreement.

## **ARTICLE 27 - INTERNAL COMPETITIONS AND TRANSFERS**

27.01

- (a) Subject to the provisions of Article 18 or unless waived by agreement with the Institute, internal competitions will be held for continuing positions within the scope of the bargaining unit as defined in Article 1 (Recognition) which the Company wishes to fill. Notices detailing the qualifications required and the work involved will be posted for at least six (6) working days before the closing date of the competition. Applications from employees absent from work during the posting period will be considered if received within a reasonable period thereafter prior to the completion of the selection process.
- (b) Reassignment of responsibilities within the Division shall not be subject to the internal competition process.

- (c) In those situations where the Company wishes to reclassify to continuing status a term employee who has been appointed to a position originally posted as a continuing position, repeat posting of the position will not be required.

27.02 Qualified applicants from within the bargaining unit will be given first consideration in competitions for bargaining unit positions. Only where all such applicants have been rejected will consideration be given to other applicants. WPEG will be given second consideration in competitions for WTEG positions. Only where all WPEG applicants have been rejected will consideration be given to other CNL or external applicants.

27.03 Where an employee does not fully meet the qualifications of the vacant position, and in order to give an employee the opportunity for development and career advancement, the Company at their sole discretion may elect to offer a transfer to the vacant position on a six (6) month trial period with the possibility for a six (6) month extension. The employee will meet with the hiring manager or designate within four (4) weeks to receive a development plan. Should the employee be unsuccessful, he/she would return to their original, or an equivalent, position.

27.04 Subject to clause 27.02, in any internal competition posted by the Company for a position in the bargaining unit, candidates shall be evaluated against measurable qualifications established and posted in advance of the competition. Among candidates who meet the minimum qualifications for the position, the candidate found to be most meritorious in respect of the measurable qualifications shall be selected for appointment.

27.05 Unsuccessful applicants to a competition shall be notified accordingly, and shall, on request, be provided a post-selection interview with a representative of the branch or organizational unit conducting the competition.

27.06 A Union representative shall be notified of competitions for positions in the bargaining unit no later than the day of posting. On request, an Institute representative will be supplied with a list of candidates for the competition, including indication of the successful candidate.

27.07 The successful employee in a competition will be appointed to the position within six (6) weeks of the date of notification unless special circumstances exist. In these circumstances, extension of the period will be discussed with the Institute, but in no case will the period exceed twelve (12) weeks without the consent of the employee. Discussions with the Institute will include confirmation of actions to develop a successor and salary treatment for the transferring employee. In exceptional circumstances, such as license requirements, the Company may be required to extend a transfer date beyond twelve (12) weeks or seek alternate solutions. In these situations, the Company agrees to meet with the Union and successful employee to discuss.

27.08 The parties acknowledge that there may be situations in which the transfer of an employee outside the normal competition process would be agreeable to all

concerned. In such situations, the parties will discuss the situation and endeavor to minimize any adverse effects.

- (a) The Institute and the Company agree that the requirements for posting vacancies as defined in this article are waived for those vacancies that will be filled by Recent Graduates. For the purposes of this article, a “Recent Graduate” is a person who has graduated from a university or college of recognized standing within the past twelve (12) months.  
The Company shall notify the President of WTEG in advance of filling such vacancies

**ARTICLE 28 – NEW HIRES**

28.01 The probation period for an employee initially appointed to a continuing position in the bargaining unit shall be six (6) months, and may be extended for up to six (6) months at the sole discretion of management. When an employee’s probationary period is extended, the affected employee and the President of WTEG shall be provided written notification with reason(s). Where a term employee is subsequently selected for, or reclassified to a continuing position in the bargaining unit, the probation period may be waived or reduced.

28.02 Within one month of hire, a new employee will receive and sign a copy of their job descriptions and receive performance objectives for that fiscal year.

The Career Progression Step Value is calculated using the salary ranges in effect on June 30 each year for each ET level.

The ET Levels have the following number of steps:

ET 02 – 4    ET 03 – 5    ET 04 – 7    ET S1 – 7    ET S2 – 7

The formula for calculating the Step Value is:

$$\frac{\text{ET level Range maximum} - \text{ET level Range minimum}}{\text{Number of Steps}}, \text{ (rounded to the nearest \$100)}$$

The performance pay awarded to the employee is calculated by multiplying the step value by the multiplier consistent with the employee's performance rating, (rounded to the nearest \$100).

The performance pay is added to the base pay (or paid as a bonus as described in Performance Bonuses) on July 1 of each year. This additional amount will be paid to the employee on either the 1<sup>st</sup> or 2<sup>nd</sup> pay period following July 1.

The expected performance distribution is 2% Unsatisfactory, 10% Meets Most Requirements, 63% Fully Meets Requirements, 20% Exceeds Requirements, 5% Outstanding.

#### **(b) Performance Bonuses**

For an employee in ET 02, ET 03, ET 04 or ET S1, where the Performance Pay increase that would be awarded is restricted by the job rate, or by the top of the range and promotion is not warranted, the employee's salary will be increased to the top of the range, and the balance will be paid as a performance bonus to the employee. For an employee in ET 02, ET 03, ET 04 or ET S1, who is at the job rate or at the top of the range and is not being promoted, the employee will receive as a performance bonus the minimum amount indicated on the Performance Pay Career Progression Grid for a Fully Meets Requirements, Exceeds Requirements or Outstanding performance rating.

For an employee in ET S2, where the Performance Pay Increase that would be awarded is restricted by the top of the range, the employee will receive as a performance bonus the minimum amount indicated on the Performance pay Career Progression Grid for a Fully Meets Requirements, Exceeds Requirements or Outstanding performance rating.

These performance bonuses are pensionable.

Employees will be advised in writing of their resulting salary and performance bonus, if applicable. All employees who have been at the top of a range for three (3) years or more and have not been promoted shall have the option to have their cases reviewed with the Division manager, this option will be available on a three (3) year cycle basis.

#### **(c) Qualified ET 02 Radiation Surveyor Performance Bonus**

An employee in the ET 02 classification who has completed his or her training and become a fully qualified Radiation Surveyor but who has not achieved the classification of ET 03 is eligible to receive a performance bonus in an amount equivalent to that which would be required to bring his/her base salary to the minimum ET 03. The performance bonus will be paid, retroactively, at the time of and as part of the annual salary review process and will cease once the employee successfully progresses to the ET 03 classification or leaves the Radiation Surveyor position.

Employees who achieve full qualification during the year and prior to the annual salary review process will receive the performance bonus in an amount prorated from the actual time of qualification to the end of the review period for that year.

Payment of the full performance bonus is dependent upon the employee obtaining a minimum performance rating of Fully Meets Requirements. An employee receiving a performance rating of Meets Most Requirements will receive a performance bonus in the amount of 40% of the full performance bonus. No performance bonus will be paid if the employee receives a performance rating below Meets Most Requirements. This performance bonus is pensionable.

#### **(d) Promotion**

Progression through to ET 04 is expected (unless education, individual performance limitations or job-scope limitations are applicable). Promotions can occur from any point in the salary range.

Promotion to ET S1 and ET S2 will be considered on the basis of business requirements, job content, performance and responsibility level, consistent with the Level Descriptors.

After two (2) consecutive ratings of “exceeds requirements” when at or near the top of the ET 04 or ET S1 range, a promotion case can be proposed by the employee if their immediate supervisor has not initiated one. The employee will be notified if a promotion case is being proposed by supervision.

The promotion process is mapped in Appendix B – Promotion to ET S1 or ET S2 Flow Chart.

Upon promotion an employee shall receive the appropriate amount according to the Performance Pay Career Progression Grid. For promotions requiring amounts exceeding the Performance Pay Career Progression Grid, the employee’s salary will be increased to the minimum of the next Level.

When the Company considers an employee at or below ET-04 range to have reached the limits of career advancement due to the limitations of the employee to perform more complex tasks, the Union will be so notified and the employee will not be eligible for promotion. Such cases will be subject to review by the Company at the Union’s request and are subject to the grievance procedure.

#### **(e) New Hires**

New employees (other than New Graduates) will be entitled to scale adjustments that occur subsequent to the date of hire except where the Company's offer to hire indicates that the salary includes a known or anticipated scale adjustment. Further, such employees will have their salaries reviewed following the probation period. The salary of each such

employee will be reviewed relative to the salaries being paid to others doing work at a comparable level of responsibility, duties and experience, and will be increased if appropriate. All new hires will be subject to the next annual performance assessment and salary review following the completion of their probationary period, outlined in Article 28. The results of this review will be communicated in writing to the member and the president of the bargaining unit within thirty (30) days of the end of the probation period. Refer to Article 31 under notifications.

### **Salary Administration of New Graduates**

New Graduates will be paid during the calendar year in which they were hired at rates determined by the Company within a salary scale. The salary of each such employee will be reviewed in the next calendar year effective on the January 1 and July 1 dates following hire. The employee's first regular July 1 salary review (scale and merit) will take place on the July 1 of the year following completion of probation.

To assure continued consistency in salaries of junior staff, CNL will review the salaries of employees who are new graduates, in terms of their performance, experience, expertise, education and position relative to their peers.

### **(f) Performance Review**

With the exception of probationary employees, the performance of each employee will be reviewed and discussed with the employee in the first quarter of each fiscal year. On request, the review and discussion will be with the Branch Manager. The discussions will be held in accordance with a prepared schedule of appointments. The review period will be from April 01 to March 31 of each year.

If when under this review the employee is judged to have shortcomings in any area of job performance, as indicated by the review form, the details of any shortcomings will be revealed to the employee. The employee will be given the opportunity to read the completed review form and sign the document at the conclusion of the discussion to indicate that its contents have been understood. Within a reasonable time, normally one (1) week, the employee may attach written comments on the content of the form. A copy of the review form signed by the Branch Manager will be provided to the employee.

Employees who have not had a performance review completed or communicated to them in writing prior to the salary review will not receive less than the minimum for Fully Meets Requirements. In the event a performance review has been completed but the manager is unable to communicate to the employee due to employee leave, this clause will not apply.

In conducting performance reviews, management shall assess in a fair and reasonable fashion an employee's contributions and achievements relative to the established goals, expectations and requirements of the employee's position.

Each employee is entitled to a performance appraisal to be completed annually prior to July 1st. An employee may request an interview to review performance at any other time and the Company shall make every reasonable effort to comply. In the case of a new employee, a preliminary performance review will be conducted during the first six (6) months of employment.

The employee's views concerning contributions and achievements for the period under review will be invited and considered before the performance appraisal is documented. Management and the employee will discuss the documentation of this performance appraisal prior to its contents being finalized. The employee shall be given an opportunity to sign the final version of the performance appraisal upon its completion and to append written comments within one (1) week. The employee's signature on the performance appraisal shall be considered to be an indication only that its contents have been read and shall not indicate concurrence with the statements contained in the form. The employee shall be provided a copy of the performance appraisal at the time it is signed by the employee.

The Company will consult the Institute prior to the implementation of any substantive changes in the performance review system

#### **29.05 Acting Pay**

Unique operational requirements or day-to-day work needs may require employees to perform some or all of the responsibilities of a higher classification outside the bargaining unit for short periods of time.

Employees who are required to work in a higher classification outside the bargaining unit for a period of four (4) weeks or more, shall have their salary increased by an amount equal to five percent (5%) and be paid that rate effective on the first day of the acting assignment. This pay shall be pensionable for time worked in that classification.

For administration of such employees performing the duties of a management or other non-union position on acting assignment see Memorandum of Agreement re: Leave of Absence, attached to and forming a part of this Collective Agreement.

#### **29.06 Respirator Incentive Pay**

Employees that utilize respirators in their current job qualifications, and obtain and maintain necessary respirator qualifications, subject to approval of respirator qualifications training by his or her manager, will receive a payment equal to \$8.00 for each half day in which they utilize a respirator. The new incentive pay system will become effective the first pay period following ratification of the contract. Furthermore, the use of a respirator must be a requirement of the job

or at the request of management and cannot be due to the preference of an employee.

**29.07 Evening Shift Differential**

An additional one-dollar and twenty-five cents (\$1.25) per hour shall be paid to shift employees for each hour worked during the evening shift

**29.08 Hot Skills Premium**

When the Employer cannot attract sufficient talent (either in number or qualification) for a particular position, it will put in place a “hot skills” premium, as set out below. Prior to doing so, the Employer will explain to the Union the need for the premium and engage in meaningful consultation with the Union regarding the amount of the premium. Any “hot skills” premium that is implemented will be paid to both incumbents in the identified position(s) and to new hires.

- (i) This “hot skills” premium will be paid separately for hours worked and will not form any part of regular wages nor be part of any attendant employee benefits.
- (ii) Any “hot skills” premium being paid will be reviewed jointly every year to confirm the need for continuation.

**29.09 Retention Premium**

The parties recognize the mutual benefit in retaining employees with skills deemed critical to maintaining the safe operation, license requirements, capability to meet business commitments and/or professional reputation of the Company. If difficulties arise with retaining such employees, the Employer will put in place a retention bonus for the purposes of retaining any such employee(s). Prior to doing so, the Employer will explain to the Union the need for the retention bonus and engage in meaningful consultation with the Union regarding the amount of such bonus. Any such bonus will be awarded as a non-pensionable lump sum payment and will have a pre-defined duration.

**29.10 Work Permit Authorizer**

An employee who has been appointed by a Facility Manager and has assumed Work Permit Authorizer responsibilities, will have a promotion case made to move to ET.S1. This promotion can be made from anywhere in the ET.04 range. Only applicable position specific level descriptors will be used in evaluating promotion cases. Promotion cases will not be unreasonably denied.

**ARTICLE 30 – Career and Skills Development**

The Company and the Institute recognize that it is essential that technical employees possess the appropriate skills and knowledge to enhance the Company’s current and future competitive position, as well as their own career development. The career development prospects of each employee will be reviewed and discussed during the annual performance review or at any significant change in program direction. The review will include discussions on the applicability of the employee's qualifications, aptitudes and experience to the

present job assignments. Discussions will include the potential for new job-content challenges and responsibilities, support for further training and the opportunities for career development.

Career development is the acquisition of attributes or competencies which may or may not be directly connected to the employee's current position. Career development is separate and distinct from training required for the employee's current position.

While employees retain the basic responsibility for planning and initiating their own career development, the Company may assist in these initiatives, identifying the type of skills potentially required.

Career development is a joint responsibility. The Company will make every effort to provide appropriate resources and opportunities for participation in identified activities. Requests for career development activities will not be unreasonably denied. This includes time, funding, and/or tuition reimbursement.

#### (b) Employee Training

The parties recognize the importance of providing a climate in which employees can improve their knowledge and skills, enhance their opportunities for internal promotion and enhance their job performance by becoming better qualified.

The purpose of training is to assist employees in improving their technical skills, as well as in keeping up to date with the appropriate new methods of performing their duties.

All training receiving Company support as provided below must be directed towards an improvement of skills which, in the Company's opinion, is position related.

i. Company Initiated Training

Where the Company requires an employee's participation in a training program, the Company shall bear the full cost of the employee's training including, as applicable: tuition, examination fees, entrance or registration fees, course required books, or other legitimate expenses as determined by the Company.

Where the program entails leave of absence, such leave of absence shall be with salary and other benefits excluding overtime or other premium payments.

Where the program involves travel, the employee will be reimbursed for travel and other associated expenses in accordance with Article 11.07.

At the Company's expense, training will be provided to employees with work activities that require legislative or regulatory qualifications.

ii. Employee Initiated Training

Where an employee makes application to attend a training program the Company may: approve leave of absence, where necessary with pay or partial pay or without pay, and/or choose to defray any or a portion of the cost of the employee's training dependent on the nature of the program and the degree to which it is position related. The cost of the training includes: tuition, examination fees, entrance or registration fees, course-required books, or other legitimate expenses as determined by the Company. The payments provided for in this section will be dependent on the employee's successful completion of the training program.

iii. If an employee's request for training is not approved, the request can be submitted to the JCC for review and discussion.

iv. Interrupted Training

Where a Company approved training course was started and subsequently the employee is transferred by the company and the Company is unable to make arrangements to facilitate completion of the training course, all expenses otherwise paid on completion will be paid to the employee.

(c) Tuition Reimbursement

Reference "Tuition Reimbursement Request/Payment Form"

If an employee's request for tuition reimbursement is not approved, the request can be submitted to the JCC for review and discussion.

Termination of employment by the employee, or by the Company for just cause shall nullify any obligation of financial assistance by the Company in connection with training.

In the event that an employee receives outside support such as scholarship, fellowship, bursary or any other type of assistance, this will be disclosed to the Company at the time of application in accordance with (a) above.

If an employee fails to return to work as prearranged without reasonable cause, the employee shall repay in full the salary and cost, where applicable, incurred by the Company in connection with the training.

An employee granted extensive leave of absence in accordance with (a) above may be required to sign a statement of intent to the effect that, on completion, he/she will remain in the employ of the Company for a period of not less than 1 year. Should he/she resign from the Company or be dismissed for just cause before this period expires, he/she shall refund the Company on a pro-rata basis the salary and cost, where applicable, incurred by the Company in connection with the tuition reimbursement.

The Union will be advised in advance if an employee is required to repay any tuition reimbursement and the associated reasons for repayment.

(d) Membership Fees

The Employer shall reimburse an employee for their payment of membership or registration fees to an organization or governing body when the payment of such fees is a requirement for the continuation of the performance of the duties of the employee's position. Reimbursement covered by this article does not include arrears of previous year's dues.

**Event of a Sale, Lease, Transfer or other Disposition of all or part of CNL's  
Business**

CNL, to the extent it has the authority to do so, will meet with the Union on a regular basis prior to the finalization of the terms of the sale, lease, transfer or other disposition of all or part of CNL's business.

The parties recognize that in the event of a sale, lease, transfer or other disposition of all or part of CNL's business, the transition may raise employment issues or concerns that both parties will want to discuss and/or explore alternatives.

**1. Termination Compensation**

**a) Where Successor Rights have no application**

In the event of a sale, lease, transfer or other disposition of all or part of CNL's business where successor rights as referred to in the Canada Labour Code have no application, an employee whose employment with CNL is part of the sale, lease, transfer or other disposition of all or part of CNL's business will be considered to be laid off and shall receive termination compensation in accordance with Article 31.03 of the Collective Agreement.

**b) Where Successor Rights have application**

**3. Parties to this Letter of Understanding**

**-On behalf of-**

**The Whiteshell Professional Employees Group

(WTEG)**

**Tripartite Working Committee (TWC)**

This is a record of agreement between Canadian Nuclear Laboratories (CNL) at Pinawa, Manitoba and the Professional Institute of the Public Service of Canada (WPEG and WTEG) on matters, which are supplementary to the WPEG and WTEG Collective Agreements.

Tripartite Working Committee. (TWC)

The parties have acknowledged that the decommissioning project and closure of the Whiteshell site in Pinawa, Manitoba has presented all parties with a unique challenge. This closure project will displace all WPEG and WTEG employees and management staff by 2024 September.

Canadian Nuclear Laboratories (CNL) and the Professional Institute of the Public Service of Canada (WPEG and WTEG) during mutual interest based collective bargaining jointly raised sincere concerns sharing interests and objectives strongly held by all parties.

All parties are invested in retaining the employment of as many current employees, gainfully employed, until the site's final decommissioning and ensuring that employees are able to productively use their skills in an effective

and efficient manner. This situation presents all parties with a challenge to developing flexible working processes and practices that retains the integrity of the Collective Agreements and management's rights for the successful and timely conclusion of this project.

To that end Canadian Nuclear Laboratories (CNL) and the Professional Institute of the Public Service of Canada (WPEG and WTEG) will establish a Tripartite Working Committee (TWC):

- For the purposes of enabling a mutually beneficial and disciplined manner the ability of all WPEG and WTEG employees to work flexibly within their bargaining unit roles, broadening these roles beyond their current norm, work where possible across bargaining unit boundaries and maintaining the right to not participate in any of these broadened work opportunities.
- Incorporate if practicable the initial "interest" related to this committee that were suggested during negotiations.
- To establish this TWC all parties shall meet within 60 days of the ratification of this Collective Agreement.
- Each represented group will have 2 designated participants based in Whiteshell. Further until the foundation processes are designed it is anticipated that both WPEG and WTEG will be joined by a Professional Institute of the Public Service of Canada representative. Management will designate a Labour Relations representative.
- Jointly develop the terms of reference for the working TWC.
- Jointly develop a reasonable and timely process to review and simplify and where necessary problem solve opportunities for employees within either bargaining unit to work across union boundaries.
- Develop a framework that would encourage employees to develop increased skill and broadened experience.
- Develop a process where either of the represented groups may withdraw their participation in a constructive manner.
- Document any and all proceedings and communicate to all parties with transparency.
- Create a communication process.

This initiative and agreement is acknowledged to be beyond the usual and typical position both the Professional Institute of the Public Service of Canada and company management would undertake. However this represents the interests of Canadian Nuclear Laboratories employees as members of the Professional Institute of the Public Service of Canada (WPEG and WTEG) and reflects the reality of the Whiteshell decommissioning. This plan and approach is a significant, collaborative and constructive move forward in a structured and disciplined process to fulfill the interests of all parties.

Following ratification of the Collective Agreement, the Company, WPEG and WTEG will develop a joint task force to discuss amending the layoff provisions of the Collective Agreement to allow for the development of progressive layoff work arrangement.

The task force will be tasked with making recommendations to their respective principals regarding the implementation of a progressive layoff work arrangement procedure.

## **APPENDIX A: CAREER PROGRESSION TECHNICAL LEVEL DESCRIPTORS**

It is recognized that within the Career Progression system, experience and additional training increases competence and value to the company. If expectations and performance are consistent with the next higher grade and this level of performance is sustained and expected to continue, promotion to the next higher grade will be considered. The Company endeavours to provide opportunities to support development and progression through the grades. As such, it is expected that employees may be assigned activities within the next higher level in support of career progression.

As the salary grades increase, standards become higher and, consequently, promotions are subject to increased scrutiny. Progression through the ETO-2/3 grades is considered normal progression for a technician or technologist. Dear Ms Doherty:

This will confirm the Company's intention, expressed during collective bargaining, that no WTEG employees will be required to work evening shift work prior to May of 2019. If an unforeseen, emergent situation arises, the Company will not implement a shift schedule without thorough consultation with the Union. Any and all changes will be negotiated between CNL and the Union.

Dear Ms Doherty:

### **Voluntary Termination Program**

In the event of a Group Termination as defined in the Canada Labour Code (or in the event of fewer layoffs where agreed to by the parties), or merger with another company or companies or formation of any successor organization, the Company and the Union will negotiate in good faith to develop a voluntary termination program (VTP).

In the case of layoffs, the parties will endeavour to come to an agreement with respect to the VTP within no more than ten (10) days of the initiation of the VTP negotiations and, where possible, to implement the program in advance of the issuance of layoff notices. If agreement on the VTP is not reached, the Company will offer the minimum outlined below.

Under the VTP, an employee may apply to voluntarily terminate their employment. *The company shall have the sole discretion to accept or decline the application.* Employees whose applications are accepted shall receive, at a minimum, notice (or non-working notice thereof) and termination pursuant to Articles 17.02(c) and 30.03.

Employees accepted for the VTP waive all recall rights and may not grieve their termination.

Sincerely,

---

Dear Ms Doherty:

As discussed during bargaining, it is the interests of both the Company and the Bargaining Unit to provide an office space, as available and accessible, for the Union to conduct union business.

As such, subject to availability, the Company commits to provide an office to be shared by WPEG and WTEG for the purpose conducting union business such as meeting with employees.

The Union commits to set, and communicate to the Company, regular office hours for the purpose of conducting union business with the exception of urgent and emergent issues.

Yours sincerely,

Dear Ms Doherty:

**Review of Facility Operator re: Performance Bonus**

During this round of collective bargaining, the parties engaged in extensive discussions regarding whether the Facility Operator positions should receive a performance bonus upon completion of training akin to that agreed to for the Radiation Surveyor position.

On a without prejudice and precedence basis, the Company acknowledges that the training requirements and efforts required to become a fully qualified Facility Operator are analogous to that required to become a fully qualified Radiation Surveyor. The Company further acknowledges the significant effort and commitment required for a Facility Operator to complete his or her training, and the importance of fully qualified Facility Operators to the success of the Whiteshell Laboratories. The Company further acknowledges the Union's resolve to ensure that the commitment and contribution of fully trained Facility Operators is properly recognized.

Accordingly, if, during the life of this Collective Agreement, any ET0-2 Facility Operator becomes fully qualified, the parties will enter into good faith discussions regarding appropriate compensation.

Sincerely,

---
